

Hi All

I hope you are all doing well

This week we have another family service. A massive thank you to Jim, Lotty, Elliot and Theo for leading the service this week and for filming the Lego animation.

Another massive thank you to David Olotu for doing this weeks talk and for Ebe putting this all together.

Please see the below link for our Family Service – The Bible verse for today is Luke 6 v 46-49

It was great to hear from all our leaders last week and the updates they had for us all. Although we are not yet able to meet together I really hope you have received support from friends and life group leaders during this time and may have had a chance to meet in person.

These times can be so uncertain and it can be very easy to lose focus. Just know that God loves you and only wants the best for you.
