This Week... Joshua and Caleb

God told Moses to send 12 people to go and scout out the promised land. Moses asked them to find out what the land is like. They were gone for 40 days and when they returned they brought back a cluster of grapes and said the land is good but it is full of strong people.

Two of the scouts, Joshua and Caleb told the people that if God is pleased with us he will bring us into this land and the Lord is with us so don't be afraid.

Because the people did not trust God they would not be able to see the promised land and everyone else had to wait 40 years to enter it.

Memory Verse...
